GET READY FOR A GLOBAL FUTURE

The first self-financing Engineering College in the name of Bharath Institute of Science and Technology(BIST) was started in Tamil Nadu in 1984 by Sri Lakshmi Ammal Educational Trust, established by the academic visionary Dr.S. Jagathrakshakan. The trust then started Sree Balaji Dental College and Hospital, in 1989 was first recognized as a Deemed to be University by MHRD in July 2022, under section 3 of the UGC Act 1956 under the new trust Bharath Institute of Higher Education and Research (BIHER). Bharath Institute of Science and Technology (BIST) was then brought under the ambit of Bharath Institute of Higher Education and Research (BIHER) in January 2003.

Bharath (BIHER) is a multi-campus, multi-disciplinary research university

BIHER consists of

- Bharath Institute of Science and Technology (BIST), Chennai
- Bhaarith Medical College and Hospital, Chennai
- Sree Balaji Medical College and Hospital (SBMCH), Chennai
- Sri Lakshmi Narayana Institute of Medical Sciences (SLIMS), Puducherry
- Sree Balaji Dental College and Hospital, Chennai
- Bhaarith College of Nursing, Chennai
- Sree Balaji College of Nursing, Chennai
- Sree Balaji College of Physiotherapy, Chennai
- School of Arts & Science
- School of Allied Health Sciences
- School of Pharmacy, Chennai
- School of Law, Chennai
- School of Agriculture, Chennai

ACCOLADES FROM THE ACCLAIMED

A continuous emphasis on modern teaching methods, global links for research, student exchange and knowledge sharing, BIHER is one of the most preferred, highly recognized and top ranked universities in India.

NATIONAL RECOGNITION

Top 60 in India by NIRF,

ACADEMIA-INDUSTRY INTERFACE

In their roles as pillars of India's future, most management students and a large number of students from other programs like engineering, law, nursing and physiotherapy etc., move to the corporate world after passing out from Bharath Institute of Higher Education and Research (BIHER). As such, corporate readiness activity is integrated into the mainstream academic program so that students make a smooth transition from the classroom to the workplace, on the strength of their skills and analytical abilities. Accreditations, MoU arrangements and academic alliances are already in place with a large number of companies. Alliances with the corporates cover the following aspects of student development:

- Student training
- Industry visits
- Mentorship program for students with industry
- Summer internship program
- Faculty alignment with corporates
- Library support
- Training programs for corporate
- Project and research support to students
- Students-corporate interface
- Soft skills development for students
- Academia-corporate interface
- Faculty sabbatical
- Entrepreneurship development programs•

SCHOOLS AND PROGRAMMES

School of Engineering Undergraduate Programs

B.Tech. (Bachelor of Technology)
Duration: 4 Years

- Aeronautical Engineering
- Aerospace Engineering
- Automobile Engineering
- Biotechnology with Specialization in Agricultural Biotechnology
- Biotechnology with Specialization in Genetic Engineering
- BioMedical Engineering
- Civil Engineering
- CSE with specialization in AI and ML (In Association with IoA, UK)
- Computer Science Engineering (Blockchain, eSports, Metaverse, Game Development, Big Data, E-Commerce, Information Security, Cyber Security, Data Science)
- CSE with Artificial Intelligence(In Association with IBM)
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Industrial Biotechnology
- Information Technology
- Mechanical Engineering
- Mechatronics

M.Tech. (Master of Technology)
Duration: 2 Years

- Automobile Engineering
- Biomedical Engineering
- Computer Science and Engineering
- Construction Engineering and Management
- Defence Technology
- Digital Communication and Networking
- Embedded Systems
- Information Technology
- Industrial Biotechnology
- Power Electronics & Drives
- Thermal Engineering
- Structural Engineering

School of Allied Health Sciences

B Sc Allied Health Science

- Anaesthesia Technology
- Respiratory Care Technology
- Medical Laboratory Technology
- Radiology & Imaging Science Technology
- Optometry
- Clinical Research
- Medical Records Science
- Blood Bank Technology
- Clinical Nutrition
- Renal Dialysis Technology
- Cardiac Technology

School of Planning and Architecture

Undergraduate Programs

B.Arch 5 years
• Bachelor of Architecture

Postgraduate Programs

M.Arch 2 years
• Master of Architecture - General
• Master of Architecture - Landscape

School of Law

- Integrated Five Year Honours Degrees in Law
- B.A., LL.B (Hons.)
- B.B.A., LL.B (Hons.)
- B.Com., LL.B (Hons.)
- LL.B (Hons.) - Duration: 3 Years

School of Medicine

- MBBS (4 ½ Years)

School of Nursing

- B.Sc Nursing (4 Years)

School of Pharmacy

- B.Pharm (4 Years)
- D.Pharm (2 Years)

School of Agriculture

- B.Sc Agriculture (4 Years)

School of Arts & Science

Undergraduate (3 years)

- B.Com Data Analytics (In Association with IBM)
- B.Sc Computer Science with Cyber Security (In Association with IBM)
- B.Sc Computer Science with Data Analytics (In Association with IoA, UK)
- BCA with Specialisation in Data Analytics (In Association with IoA, UK)
- B.Com. Accounting & Finance
- B.Com. Corporate Secretaryship
- B.Com. General
- B.Com. Honours
- B.Com Computer Application
- B.Sc. Visual Communication
- B.Sc. Computer Science
- B.Sc. Statistics
- B.Sc. Chemistry
- B.Sc. Physics

- B.Sc. Mathematics
- B.Sc Biotechnology
- B.Sc Bio Chemistry
- B.Sc Microbiology
- B.C.A.
- B.Sc Catering Science and Hotel Management
- B.A. English
- B.A. Tamil
- B.A. Economics
- B.A Public Administration & Governance

Postgraduate (2 years)

- M.Sc Microbiology
- M.Sc Statistics
- M.Sc Biochemistry
- M.Sc. Computer Science
- M.Sc. Physics
- M.Sc. Chemistry
- M.Sc. Biotechnology
- M.Sc. Mathematics
- M.Com.
- M.C.A. Master of Computer Applications (2 Years)
- M.A. English
- M.A. Tamil
- M.A. Economics

- Ph.D - All Disciplines

School of Management

Undergraduate (3 years)

- B.B.A.

Postgraduate (2 years)

MBA - Specialisations

- Hospital Management
- Marketing Management
- Banking & Financial Services
- International Business
- Human Resource Management
- Logistics & Supply Chain Management

School of Engineering Undergraduate Programs

B.Tech. (Bachelor of Technology)
Duration: 3.5 Years (Part-Time)

- Civil Engineering
- Computer Science Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Mechanical Engineering
- Mechatronics Engineering

INFRASTRUCTURE

To face the future, students need to learn the future. World class amenities and infrastructure in a sprawling campus, State-of-the-art labs, Well equipped libraries, Wi-Fi Linked campus, Separate Hostel for Boys and Girls, Sports recreation Centre, Indoor Stadiums, Gym, Canteens and many more.

CHOICE OF WORLD CLASS PROGRAMS

If you have a dream, Bharath has a course for it. Our decades in the education industry helped us build a plethora of courses in every stream

INTERACTIVE LEARNING

Bharath (BIHER) has innovative teaching methods for maximum knowledge retention for students. we are following international teaching module

RESEARCH AND DEVELOPMENT CELL

The Research activities of the University were accelerated from the year 2003 onwards. Extensive research facilities were created to promote innovative research. The students and faculty members are encouraged to innovate through quality research in emerging areas. BIHER has extensive tie-ups with both reputed National & International Institutes to support and enhance the research abilities.

WORLD CLASS LABORATORIES & FACILITIES

LOOKING BEYOND ACADEMICS

It's our firm belief at Bharath (BIHER) that to enhance the skills of our students, they must be provided with opportunities to explore their creativity. Cultural programs are organized several times during the year to encourage creative pursuits and nurture talent. Students form teams and share responsibility in organizing the events.

Virtuoso – The Virtuoso

The annual four-day cultural extravaganza – Virtuoso has a unique flavor and style that makes it a much-expected event on Bharath Campus. It's a confluence of ideas, a perfect blend of the arts, the skills and the passion to perform. Dance, light music, fashion show, literacy debates, craft and lots of other events are organized and leading celebrities are invited to judge the events.

Celebrations

All Indian festivals are celebrated on campus with enthusiasm and vigor, by students from the respective states. Special lunch is organized in the hostels to give the students taste of the region's culinary tradition.

Range of Sports Activities

• Volley ball • Basket ball • Foot ball • Tennis • Cricket • Badminton • Throw Ball – Women • 100 mts. Track field • 200 mts. Track field • 400 mts. Relay • 1500 mts. Track field.

Bharath University – Mastering robotics internationally

NWN NEWS

Bharath University – Mastering robotics internationally Bags third place at the AUTCUP 2013 at Tehran among 100 teams

Students of Bharath University battled hard to clinch the 'Third Place – in Service Delivery League' at the AUTCUP 2013. The team of 5 students from Bharath University displayed brilliant effort in the Humanoid League, Rescue League and Service Delivery League and bagged the honor. More than 100 teams including international teams participated in the AUTCUP 2013 organized by Amirkabir University of Technology. **Bharath University is the only University from India selected to compete in the finals at the event.**

Congratulating the achievement of Students, Sundeep Anand, Chancellor of Bharath University, said, "We are immensely happy and proud of our students who have taken Bharath University and India to a global platform and would like to congratulate them on their performance. I would like to encourage students to undertake research in robotics for its excellent mix of technology and creativity".

THE HINDU

Winners all: Chennai students won Silver and Bronze medals at the International Robotic Competition held in Tehran, Iran.

Business Standard

Bharath University entitled 'Innovation award' in an International arena

Bharath University wins RoboCup Singapore

Bagging the first place: Students of Bharath University with their creations

Commenting on this, Dr. Lakshmi Narayanan, Chancellor, Bharath University said, "We are proud to see our students excel in Robotics at an International Arena. Designing a Robot requires tremendous applications and our students have put in a lot of effort to design these Robots. The efficiency of the Robot speaks for itself. We congratulate the entire team, who won the honours at the competition."

THE HINDU

Rocking robots

An indigenous robot built by Bharath University students wins international laurels.

Our novel creation — "RoboTruck" won accolades at the Robocup Singapore competition, and another feather in the cap for us Bharath University students. This time round, it was more challenging, as we had already bagged **"Best performance for Innovation award"**

SHARIPOV TO TRAIN 5 BEST STUDENTS OF BIHER, CHENNAI.

Bosch India and Bharath University launch training centre

Headline News

Bosch India and Bharath University launch training centre in Chennai

BENGALURU: Bosch Limited, the German automaker, announced on Monday that in collaboration with Bharath University, it has launched a training center in Chennai. The joint certification

Times of India.com

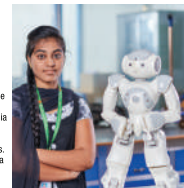

The center has the latest Bosch equipment such as fuel injection test bench, auto electrical test bench, diagnostic scanner, Bosch vehicle lift among others.

Hindubusinessline.com

Bosch joins hands with Bharath University to launch training centre.

The event was graced by Dr S. Jagdishkrishnan, Founder Chairman, Bharath University, former Union Minister, Dr J Sundeep Anand, President, Bharath University, Dr M Ponnavaikko, Vice-Chancellor, Bharath University, and Abhijit Kallanpur, Senior General Manager, Automotive Service Solutions Bosch Ltd, India.

Commenting on the inauguration of the centre, Vijay Pandey, regional president, Automotive Aftermarket, Bosch Ltd, said, "In the automotive aftermarket sector, Bosch is among the highest generators of employment. However, given India's insufficient labour pool, there is a need to build on the country's employability level. The same has also been identified by the government, which has initiated the Skill India programme. To address this concern Bosch has collaborated with Bharath University in Chennai to offer quality training programmes. Our joint vision is to ensure the youth of India is able to build a sustainable future."

BHARATH (BIHER) 28TH CONVOCATION

SIMPLE ADMISSION PROCESS

- Apply online visiting www.bharathuniv.ac.in or buy the form from campuses / designated major branches of banks and postoffice or Bharath Regional offices
- Appear for BEEE Entrance Examination for which Bharath website provides details. there is no entrance examination for international and NRI students
- Admission is done on merit through a transparent counselling process based on the entrance examination ranking and /or marks secured in the +2 qualifying examination

YOUR NEW HOME

It's a diverse community of students at BHARATH (BIHER), and the activities on offer are as diverse and varied too. From entertainment to extra-curricular or even religious pursuits, there's never a dull moment on campus.

Wi-Fi Connectivity at Campus & Hotels

Students, faculty and visitors at University can now enjoy the flexibility to access web and exchange resourceful information from anywhere within campus. Reason: the campus is now Wi-Fi.
